Department Overview

The field force remains our most valuable and largest channel for connecting with customers. It is critical that we maximise engagements and continue to strengthen the value customers place on these interactions. Newly formed Customer Facing Effectiveness Team (CFE team) will drive the adoption, strategic direction and best practice sharing across International Developed Markets (IDM) of customer facing effectiveness initiatives. They will closely partner with Local leadership, sales leadership and key business partners such as Biopharma Ops and BIR. The role aims to support the CFE Leads to deliver with impact within their markets, across International Development Markets (IDM) in implementation of CFE initiatives.

What can I achieve and what will I be accountable for whilst completing a placement at Pfizer?

Pfizer provides you with the opportunity to work with experts in the pharmaceutical industry. Through working in a CFE team environment you can look forward to being exposed to one of the most critical areas of the business. The role will support development of critical business skills, project management, cross functional collaboration, communication through liaising with colleagues across multiple global markets, multi-tasking through working on a variety of projects and also leadership by owning areas of the role within role scope. We will ensure you are given the chance to direct and own key projects, which will provide invaluable strategic, leadership and project management skills.

Pfizer also offers a diverse environment which allows employees numerous opportunities to grow and develop. This is a great chance to be part of the bigger picture, and to assist in ensuring Pfizer maintains a strong and diverse workforce as well as developing a talent pipeline of future Pfizer colleagues. It is also a fantastic way to obtain a better comprehension of the pharma industry and the type of roles it has to offer.

ROLE RESPONSIBILITIES:

- Support and co-ordination of internal team meetings with CFE team capturing key agreements and actions
- Project management support for implementation and refinement of CFE initiatives
- Support facilitating and developing materials for the CFE team

What other opportunities and benefits do Pfizer offer?

The role will give the candidate an opportunity to develop and demonstrate leadership within a fostering and encouraging team. The person will be given specific projects to lead on and will support different aspects of the business to ensure a diverse experience within business. Some travel could be expected few times a year.

When can I start?

Placements will start on 2nd September 2024 and will run for 12 months.
