

## **Pfizer UK Undergraduate Programme 2026/2027**

### **GH&B Commercial Marketing Undergraduate**

Global Hospital & Biosimiliars

#### **Who can apply?**

Applicants must be completing placement as part of a degree course at a UK University, either through Year in Industry/Industrial Placement or Gap Year.

Please note that we only accept application forms. Please do not send over your CV or cover letter as they will not be considered. Please access the Word version of the Application Form here: **Undergraduate Vacancies | Pfizer UK** and find instructions as to how to complete your application and more about eligibility criteria. Learn more about this exciting opportunity below!!

#### **Department Overview**

Pfizer's Global Hospital & Biosimilars organisation encompasses a wide range of activities across hospital medicines, including an extensive Established Brands and Biosimilars portfolio of critical medicines. The depth and breadth of this portfolio enables us to deliver value to patients, healthcare professionals and health systems across the UK.

The Global Hospital & Biosimilars team plays a key role in managing mature hospital brands alongside an expanding biosimilars portfolio, ensuring sustainable access, strong commercial performance, and value-based partnerships within the NHS.

#### **What can I achieve and what will I be accountable for whilst completing a placement at Pfizer?**

Working within Pfizer's Global Hospital & Biosimilars Commercial team will provide you with a unique opportunity to gain exposure to all aspects of portfolio management from product forecasting through to delivery to dispensing points.

Through exposure to both the commercial marketing, financial and supply interfaces of the business, you will develop a broader understanding of how hospital pharmaceutical markets operate. You can look forward to developing critical business skills and being a valued team player.

- Internal and external stakeholder management
- Multi-tasking through working on a variety of projects
- Developing strong commercial, analytical, and business acumen
- Opportunity for leadership by owning specific projects

The Global Hospital & Biosimilars team offers a unique opportunity to build insight into the hospital medicines environment, with a diverse portfolio and a wide-ranging customer base across NHS Trusts and health systems.

You will have the opportunity to contribute to all areas of the GH&B commercial team, with a strong emphasis on commercial thinking, data driven value proposition development, and implementation within complex and competitive hospital markets.

**Other responsibilities will include:**

- Supporting the Portfolio Leads across Established Brands and Biosimilars portfolios, including performance tracking and insight generation
- Ownership of internal and external supply shortages reporting/communications
- Assisting with material development and approval
- Project Implementation

**What other opportunities and benefits do Pfizer offer?**

- Cross functional projects
- Customer Field Visits
- Internal training courses

You will receive a competitive salary along with benefits including 25.5 days annual leave.

**When can I start?**

Placements will start on 1<sup>st</sup> September 2026.

**PERSON SPECIFICATION**

Type of person we are looking for, in relation to **'Skills'**, **'Knowledge'** and **'Motivation'**:

- Completing a Degree that requires a placement year as part of the course or taking a gap year. You must be enrolled at a UK University for the duration of your placement.
- Excellent verbal, written, analytical and presentation skills
- Ability to work effectively in a team environment
- Strong Maths and English skills
- Confidence to engage with Pfizer personnel at all levels
- Basic business, commercial, and numerical/analytical acumen
- Excellent interpersonal skills, tenacity and the ability to influence others
- Proficiency with Excel, Word and PowerPoint

### Who can apply?

Applicants must be completing placement as part of a degree course at a UK University, either through Year in Industry/Industrial Placement or Gap Year.

**This position will close for applications on 17<sup>th</sup> May 2026.**

**Please note that we only accept application forms. Please do not send over your CV or cover letter as they will not be considered.**
